

# Donegal Nursery/Child Care Policy

The Donegal Nursery is for the benefit of members and guests of Donegal Presbyterian Church. The nursery is open Sundays from 8:30 a.m. – 12:30 p.m.

Please note the following Nursery policies:

1. Children up to age 5 or those still in preschool are permitted in the nursery during church services. Children of Kindergarten age or older should attend church services with their parents or guardians.
2. Children's Worship Workshop (for 4-6 year olds during 1st service) is offered every other Sunday. Children can attend the service with their parents/guardians and will be dismissed for Children's Worship Workshop after the Pastor's "A Time For Children" for the remainder of the service. Parents/guardians are responsible to pick up their children at the nursery immediately after the church service. When Children's Worship Workshop is not offered, children of Kindergarten age and older will stay for the entire church service with their parents/guardians.
3. A paid nursery caregiver is on duty from approximately 8:30 a.m. to 12:30 p.m. each Sunday. One volunteer caregiver from the congregation is also required to staff the nursery during this time. Volunteer caregivers must fill out the required criminal and child abuse background check forms and be cleared before they may supervise children in the nursery. Application forms are available from the Church Secretary. If you wish, you can be reimbursed for any expenses incurred in processing these forms.
4. A child information sheet and permission form must be completed before a child may stay in the nursery. These forms are available in the nursery.
